

## ***EM PROJECT DEFINITION RATING INDEX (EM•PDRI)***

- Construction Industry Institute (CII) Project Definition Rating Index (PDRI) methodology
- EM-6 modified the CII PDRI to cover environmental management projects, in addition to traditional construction projects
- The *EM project definition rating index (EM•PDRI) manual*, revision 0, was issued on march 6, 2000
- The EM•PDRI identifies and describes critical project elements in a checklist format, and helps identify project risk factors
